DETAILED ACTION

Claim Rejections - 35 USC § 102

1. Claims 1 and 9 are rejected under 35 U.S.C. 102(b) as being anticipated by Amou et al. (US 20020161091) for the reasons set forth in item 4 of the Office action mailed 6/7/2006.

Applicant's arguments filed 11/7/2006 have been fully considered but they are not persuasive. Applicants' argument directed to the dielectric dissipation factor have been considered; however, this feature is not included in any claim, and is therefore irrelevant to the rejection under 35 USC 102. Allegations of unexpected results cannot overcome a rejection based upon anticipation.

2. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
